

# NAILHEADS<sup>TM</sup> & RHINESTONES

## Tabletop *Bosmatic*

### Introducing The First Ever Table Top "Industrial Strength" Stone Application Machine!

Introducing the NEW Variomat Table Top<sup>TM</sup>

Now you can apply any Hot Fix element like Strass-stones, Crystals, Nailheads, Rhinestuds, and even Half Pearls.

Apply to virtually any fabric, material or product

The melting glue is activated in a few short seconds by the robotic arm and the risk of damaging a garment is virtually NIL!

Includes a simple stone delivery system, reliability that is virtually flawless, proven with over 20 years of production environment experience.

**Guaranteed to outperform any competitor.**

Now you can get unparalleled reliability stone after stone, stud after stud, nailhead after nailhead.

Uses the same technology and mechanics as N&H's world famous standalone Variomat without the price tag.

- Setup is easy for any operator.
- Reliability far exceeds any other stone fixing machine in the market.
- We are so confident in this product we now offer an extended warranty program up to 5 years.
